Summer Jr. Golf Academy

The Bakker Crossing Jr. Golf Academy is for serious jr. golfers, boys & girls, that want to take their game to the next level. For those players that really want to improve their swing, lower their score, play tournament golf and play at the high school or college level this is where you want to be. We will be playing or practicing at least 5 days per week for the summer. It will be very difficult to be heavily involved in other sports during this period as you will be focusing strictly on the game of golf. This is not to take away from participating on other sports but more to have golf as your main focus. This is a great opportunity that will be the only program of this kind in the state of South Dakota. You will become a better golfer by the end of the summer if you put the time and effort into this program. Participation is limited to the first 30 juniors to sign up.

Summer Golf Academy: \$600
