BAKKER CROSSING OPEN

18-Hole Stroke Play Championship

Today we had 88 players come out for the Bakker Crossing OPEN!!!

The rain stayed away and let us play with overcast and cool conditions.

Payouts are based on the amount of players in each flight.

Championship Flight ties split money.

All ties in the remaining flights were broken using the USGA preferred method.

We had gross skins only for Championship Flight.

We had gross and net skins for all other flights combined.

"Thanks for playing! We hope to see you next year!"
